Irrigation Conference

Irrigation Insights 2025 is heading to Moama on Tuesday 22 July.

Bringing experts, key thinkers and primary producers together to explore irrigated agriculture. Focusing purely on irrigation, it is an opportunity to be directly involved with your target audience.

Irrigation Insights is designed to address the specific needs of the irrigated grains industry, offering growers access to cutting-edge information and presenting the latest on-farm innovations, the conference is developed in consultation with farmers and industry experts, the program delves into pivotal issues and opportunities integral to irrigated farm systems

Unlock the following advantages:

- Forge valuable networks within the industry.
- Amplify your brand visibility.
- Establish yourself as a trailblazer in the field.
- Engage with growers and agribusiness professionals.
- Spotlight your products and services to a wider audience.
